

## The Classic Corner Consignment Submission Form

(Please be certain to sign and date this form)

1. Please attach a separate description sheet for each item. Be as descriptive as possible with your item(s). Include minimum bids, as well. Contact us if you need to discuss pricing/minimum bids.
2. Send us color photos, if possible, as this can only enhance your chances of selling your items. **Photos are mandatory.** We will computer scan photos to give them a professional look in our catalog.  
**Please note:** Photos can sometimes appear dull, grainy or blurry due to a multitude of reasons (poor photo quality, pictures shot too far away, etc.) and lose something in the translation. **The Classic Corner** assumes no responsibility for photos that are “less-aesthetically pleasing”, but will do everything possible to produce the highest quality photos as it is in everyone’s best interest to do so.
3. Submitting item(s) to appear in **The Classic Corner** auction catalog, monthly price list, or on our website is free. **We only charge a standard 15% consignment fee if and when your items sell. The Classic Corner** reserves the exclusive right to refuse any item(s) which we deem as inappropriate for whatever reason. All autographed material (ie: balls, pictures, uniforms, etc.) must be accompanied by a COA by a reputable authenticator such as: *Richard Simon, Jimmy Spence, Mike Gutierrez, etc.* We will contact your source to verify this.
4. **We make no guarantees.** Due to market fluctuations and circumstances beyond our control, we cannot make any guarantees that your item(s) will sell. Anything contrary to that on the part of the consignor is purely speculative and has no merit.
5. Please remember that our customers have a (10) day **return privilege** on all items, both consigned and ours.
6. Consignors need to ship us items well in advance of sales. It is the responsibility of the *consignor* to carefully pack items and mail to us via 1<sup>st</sup> Class Mail or UPS. **We assume no responsibility for items either lost and/or damaged during transit.** Call us to discuss details at (609) 586-4815.
7. Please sign and date the contractual agreement below. Mail to:
