I recently picked up a **1912 Redland Field Dedication Dinner Program** that was a precursor to the opening of the great, new ballpark on the banks of the Ohio River. The Board of Directors, including August Gary Hermann (Principal Owner), are showcased in a small composite photo shoot that looks very "Victorian" in nature. There's also, among other things, a beautiful, full color Redland Field postcard-styled rendering. It's not a big program but it is very rare and I'm glad to have one. I'm mainly concentrating on Reds' items from the 1912 – 1919 era. **The Classic Corner, PO Box 3404, Trenton, NJ 08619 – 0404**
